The 7th PKU-NUS Annual International Conference on Quantitative Finance and Economics

20 – 21 May 2023

Venue: Hybrid Event

Peking University HSBC Business School, Shenzhen, China

The 7th PKU-NUS Annual International Conference on Quantitative Finance and Economics (20 – 21 May 2023, Shenzhen, China) will be jointly organized by:

1. HSBC Business School, Peking University,
2. Risk Management Institute, National University of Singapore,
3. Key Laboratory of Mathematical Economics and Quantitative Finance, Peking University.

This international conference aims to provide a platform for researchers and practitioners from academia and industry to enhance their quantitative finance techniques, explore the latest investment strategies and manage the fundamental regulatory changes in the financial sector.

Programme (20 – 21 May)

The scientific programme will follow the format of an academic conference. It will solicit original, unpublished contributions in all aspects of quantitative finance and economics to be reviewed and selected by an international panel of experts. Concurrent sessions will be devoted to the dissemination of scientific findings. Suggested topics of interest include, but are not limited to:

- Actuarial Science
- Algorithmic Trading
- Computational Finance
- Financial Modelling
- Governance
- Liquidity and Credit Risk
- Portfolio Selection
- FinTech
- Macroeconomics
- Mathematical Economics
- Mean Field Game Theory
- Microeconomics
- Monetary Economics

The scientific program will also feature three invited plenary talks by renowned researchers.

Paper Submission

Submissions and registrations may be made via the conference [website](#). The submission deadline has been rescheduled to **15 March 2023**, considering the conference agenda. The authors will be notified of the review committee's decision by **22 March 2023**. There are no registration fees for the conference.
